The Canon of Nature: Lessons from the Beeyard

For centuries many people have recognized the importance of spending time in nature, and learning the lessons that God's creatures can teach us.

At this Manna day in February, we'll learn more about the fascinating world of the beehive, and will draw on the beauty of the **St. John's Bible** as we hear the messages God has for us in the natural world.

We'll also touch on ways we can help to preserve the incredible world that has been entrusted to us as stewards.

Guest Speaker: Rev. Linda Patton-Cowie

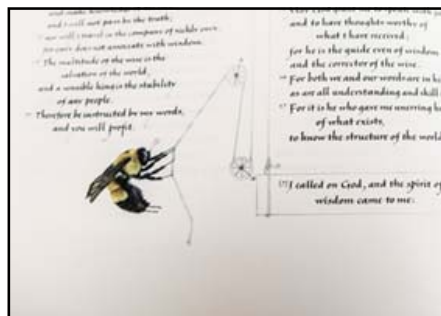

Rev. Linda Patton-Cowie serves God among the folks at St. Mark's Presbyterian Church in Orillia. She also enjoys time in her bee yard, and at her off-the-grid cabin in Muskoka.

She delights in spending time with her daughters and their families, and can't wait until her grandchildren are big enough to help with the bees!

The St. John's Bible

The Saint John's Bible is a modern day illuminated bible intended "to ignite the spiritual imagination of believers throughout the world". Come and see this wonderful work of art!
